Most Romantic Hotel Fireplaces

Edson Hill, VT

This [Stowe newcomer](#) has all the ingredients to heat up a weekend getaway, starting with freestanding fireside tubs, farm-to-table cuisine, and fireplace butlers. The revamped inn—reimagined by high-end Boston design firm Gauthier Stacy—blends classic country charm with pared-back interiors and high-tech features like the ALICE app, which guests can use to order late checkout, request turndown, and most important, summon that fireplace butler to build the perfect fire.
